 SUMMER June 1st
 WINTER October 1st

VERMONT FARM SHARE

Vermont Farm Share is a cost-sharing program run by NOFA VT that offers financial support to limited income Vermonters for purchasing a CSA share. Program details are available at www.nofavt.org. Participants pay 1/2 the share cost, with the other 1/2 being paid by contributions from community members and NOFA VT's Share the Harvest fundraiser.

With your help we have supported twelve families per year and demand is growing. Your donation helps families in our community to eat locally with a **Jericho Settlers Farm CSA share**.

To be tax deductible, please make check payable to "NOFA VT" and write "Jericho Settlers Farm" in the memo. Send check to us and we will forward it to NOFA. NOFA will match your donation and grant it back to us. THANK YOU!
